IC REPORT: Beverly reported on the Conference (see attached report) as did other attendees: Lillian, Colleen, Arthur, Jim

AREAS OF FOCUS:

TORCH: Ken Resnover spoke to us regarding torch being a ministry about relationships. He also stressed that we are one ministry with three programs. He stated that we don't want to pull people from one ministry in order to support the other. Husbands and wives are able to serve, so be on the lookout for those couples or individuals sitting in the pews who are not actively serving. He stated that youth tend to trust older adults! (So don't let age be an issue) He asked us to join with the national office in prayer every Tuesday at 1:30. A motion was passed to join in with the National office.

UNFINISHED BUSINESS:

Sharing agape at next meeting.

Increasing the advance for a weekend to \$3,000. We tabled the discussion to discuss with Walter.

Can we open dialogue with DOC and chaplains to get training at local levels. Virginia Tinsley offered to work with Charles Jackson who oversees the training.
