

**Kairos of Georgia Executive Committee**  
**Teleconference Minutes**  
**August 2<sup>nd</sup>, 2018**

Chairman Doug Unger began the teleconference at 8:30 PM. Beverly Upperman opened with prayer and a quorum was determined. Participating were Doug Unger, Stan Yarbrough, Walter Straham, Ladson Golden, Beverly Upperman, Beth Maycomber, Arthur Fickling and Colleen Freeman.

**ATLANTA (METRO) FEDERAL PRISON:** General agreement was that while we need to continue working toward a Weekend at this facility the focus at present needs to be on our existing ACs and their growing pains.

**SCC TENURES:** Ladson reported that there are a few persons on the SCC whose tenures are nearing their 6 year limit. Those with one year left to serve are Gene LeFort (ASMP), Perkins Williams (Hancock SP), Mike Zoellick (Lee SP), Todd Avery (Macon SP) and Jack Denker (Ware SP).

**AC NON-COMPLIANCE:** Bottom line--- Where are we on establishing a policy to identify non-compliant ACs and enumeration of the consequences associated with non-compliance?

**AUGUST 18<sup>TH</sup> MANDATORY STATE MEETING:** Response to the initial email was tallied and it was determined that 11 ACs out of 30 had responded. The total number of persons attending so far is 15 out of 85. Ladson is to draft a stronger letter and send it to Doug for distribution from the Chair's email address. This letter is to state that ACs not represented at the August 18<sup>th</sup> meeting jeopardize their state funding for future Weekends.

There being no further business before the committee, Stan closed us with prayer. The teleconference was concluded at 9:45.

Respectfully submitted,

Ladson Golden, Secretary  
Kairos of Georgia
