Kairos \$ Calender

- Some people dislike loose change.....but....save it anyway :)
- Your loose change can help with spreading God's love to those that are incarcerated
- Who loves pizza, burgers, BBQ and other great food? Do you like having gatherings with ones you love?
- Yes? GREAT! Then with your spare change and competitiveness with those in your household you can share your love as well as God's Love.
- You may ask why competitiveness? Because you can see who raises the most in your household, your bible study group or even the whole church!
-
- This calendar also helps with social distancing :)
-
-
- You can you use a jar, cup or even just make a list of your amounts and add it up at the end of the month for your total
- Then you can give that amount through the Kairos.org or give to your local Kairos team! :)
